

**Jean Jacques FOURNIE, PhD**

Directeur de Recherches de Classe Exceptionnelle au CNRS

Cancer Research Center of Toulouse

PhD 1986, HEA 1993, HDR 1994

jean-jacques.fournie@inserm.fr

ISI-Web of Science-Researcher ID: J-7805-2013

Scopus Author ID: 7005651109

ORCID ID: 0000-0001-6542-6908

**Keywords:** gamma-delta T lymphocytes/immunotherapy/cancer/lymphoma/single-cell transcriptomics

**CV:**

- 1986: PhD thesis in Chemistry-Biochemistry, Université Toulouse 3 (Univ. Paul Sabatier)
- 1986: Chargé de Recherches 2- CNRS section 16 (Chemistry for Life Sciences); France
- 1988-1989: Immunology Post-doc fellowship @ CIRC (now Garvan Institute), Sydney Univ. NSW, Australia
- 1990: Chargé de Recherches class 1 CNRS, PI of immunology project, CNRS Toulouse, LNCC award
- 1994: HDR Université Toulouse 3 (Univ. Paul Sabatier), Qualification for full professor, LNCC award
- 1995: PI of research group "gamma delta T lymphocytes" INSERM (Toulouse, Hospital Purpan)
- 1996: Directeur de Recherches class 2 CNRS section 16 (Chemistry for Life Sciences)
- 1999: Founder of Innate Pharma, S.A.S. ("the innate immunity company")
- 2002: Head of immunology team "Non-Conventional Antigens" INSERM (Hospital Toulouse Purpan)
- 2003: Founder of ONG: "Universités du Monde"; member of university life sciences national board
- 2005: Directeur de Recherches class 1 CNRS section 16 (Chemistry for Life Sciences)
- 2006: Head of Immuno-Oncology team "Innate Immunity, Malignant Hemopathies & Cancer Therapies", INSERM
- 2008: Administration board of RITC foundation, (Toulouse Cancer Campus)  
Co-organizer of the III<sup>rd</sup> world congress on gamma delta lymphocytes, Marseille, France
- 2009: Project leader of « Centre de Recherches en Cancérologie de Toulouse » (CRCT)
- 2010: Founding Director of the « Centre de Recherches en Cancérologie de Toulouse » (CRCT),  
Scientific director of Institut Universitaire du Cancer (IUC)-Toulouse Oncopole.  
Steering Committee of Oncopole de Toulouse.
- 2011: Member and Administration board of Institut Carnot Lymphome (CALYM);
- 2012: co-director of Laboratoire d' Excellence Toulouse Cancer "TOUCAN",  
co-director of Projet Hospitalo-Universitaire en Cancerologie "CAPTOR"
- 2013: Member of INSERM CSS8, member of AERES Jury
- 2014: Inaugural of CRCT with PM M. Valls
- 2015: Director of Fondation Toulouse Cancer-Sante, elected member of HCERES and EATI
- 2016: Renewed Director of CRCT
- 2017: quits direction positions for re-dedication to scientific research only
- 2019: awarded LabEx TOUCAN2, Label Fondation ARC, SAB pharma companies
